² The material presented here is taken from 'Manuale pratico ISPM-15 per la conformita' del marchio IPPC/FAO FITOK' prepared by Sebastiano Cerullo.

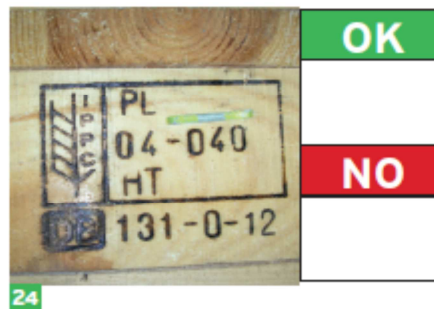

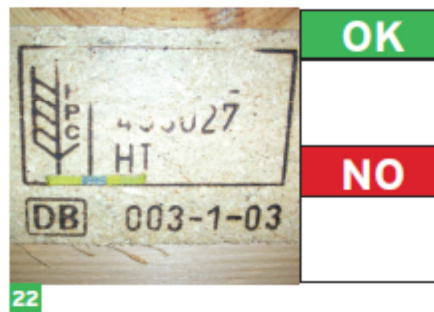

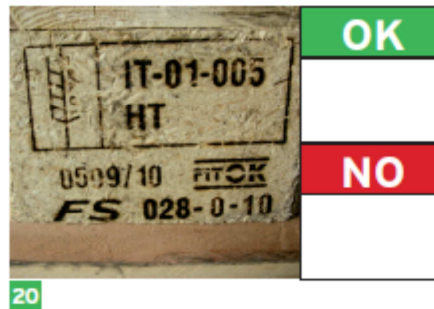

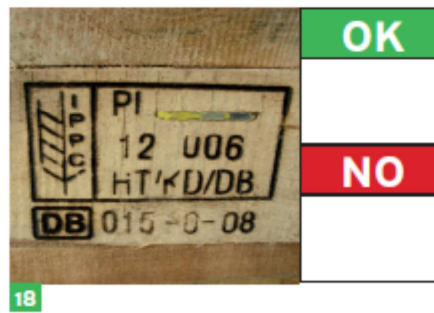

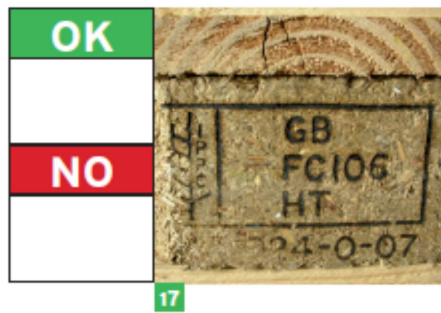

Marks from 9 to 16

Solutions:

- 9. YES, even if there is no need for the symbol DB;
- 10. YES, even if there is no need for the symbol DB;
- 11. YES, even if there is no need for the symbol DB;
- 12. YES, even if there is no need for the symbol DB;
- 13. YES;
- 14. NO, it seems hand written;
- 15. YES, even if there is no need for the symbol DB;
- 16. YES, even if there is no need for the symbol DB.

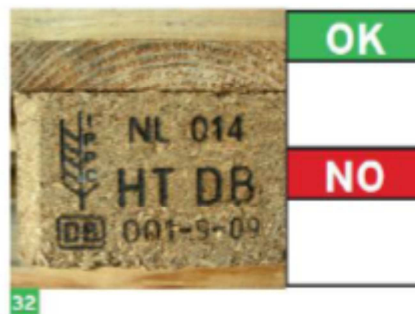

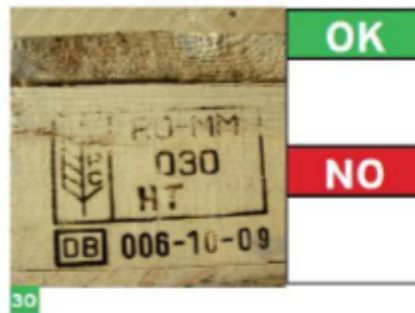

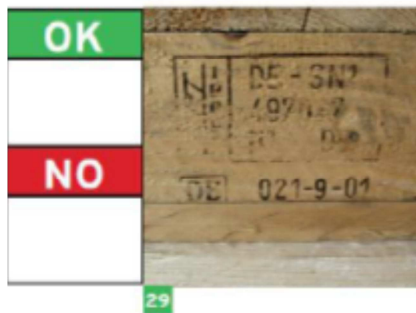

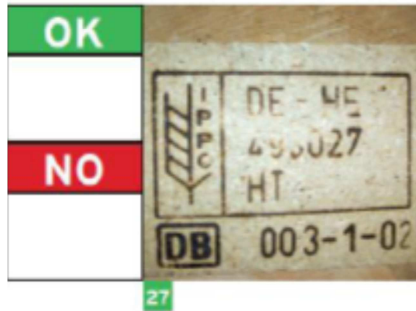

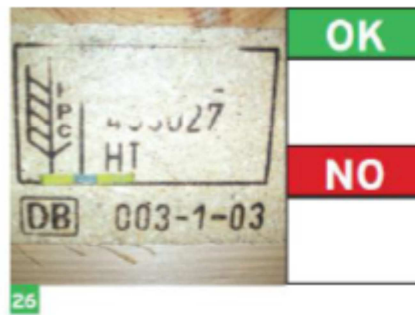

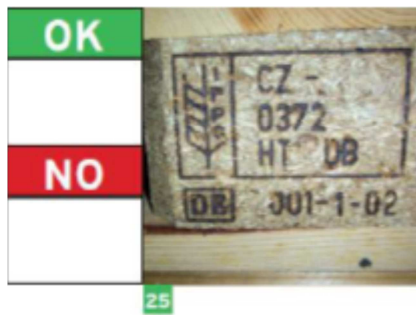

Marks from 17 to 24

Solutions:

- 17. YES, but the rectangular space is not clearly visible;
- 18. NO, the country of origin is not clear;
- 19. YES;
- 20. YES;
- 21. YES, even if there is no need for the symbol DB;
- 22. NO, different components of the mark are not visible;
- 23. NO, different components of the mark are not completely visible;
- 24. YES.

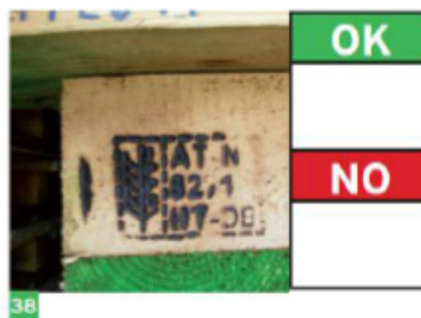

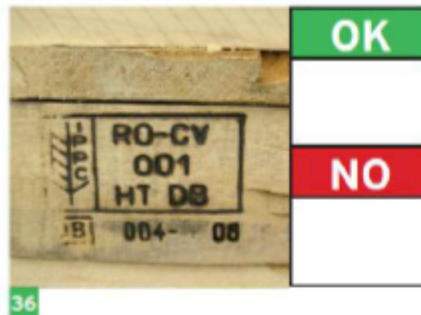

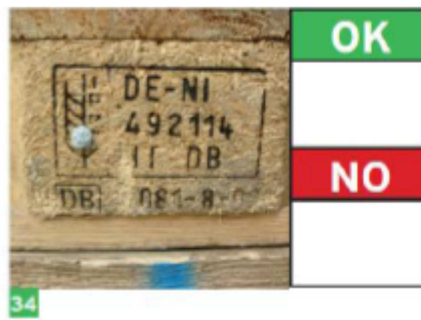

Marks from 25 to 32

Solutions:

- 25 YES, even if there is no need for the symbol DB;
- 26: NO, different components of the mark are not visible;
- 27: NO, different components of the mark are not visible;
- 28: YES;
- 29: NO, different components of the mark are not visible;
- 30: NO, different components of the mark are not visible;
- 31: NO, different components of the mark are not visible;
- 32: NO, the mark does not have a well-defined rectangular space.

Marks from 33 to 40

Solutions:

- 33: YES;
- 34: YES;
- 35: YES;
- 36: YES;
- 37: NO, there is no vertical line dividing the logo from the rest of the mark;
- 38: NO, different components of the mark are not completely visible;
- 39: NO, it seems hand written;
- 40: NO, different components of the mark are not completely visible.
