# Scaling up the P-IMA tool in The Gambia

---

This Project Preparation Grant (PPG) aims to apply [STDF's P-IMA \(Prioritizing SPS Investments for Market Access\)](#) framework to inform and improve SPS planning and decision-making processes in The Gambia; and to prepare a project proposal to address and mitigate the key SPS issues affecting the export potential of prioritized investment options.

## **STDF/PPG/921**

### **Status**

On-going
