

The 'Better Training for Safer Food-WORLD' programme

**Geneva, STDF Working Group,
20-21 March 2018**

European
Commission

A large, slightly wavy image of the European Union flag, showing the blue field with the twelve yellow stars.

A European Commission (DG Health and Food Safety) training initiative for EU and non-EU country officials who undertake controls on sanitary and phytosanitary issues.

European
Commission

Specific objectives for training in non-EU countries

- Ensure fair trade with non-EU countries, particularly developing countries
- Help non-EU countries to better understand and meet more easily EU rules/standards
- Reduce rejections at EU borders and facilitate access to the EU market
- Contribute to safer food for non-EU country consumers and a more diverse range of safe food products in the EU
- Enhance SPS regulatory cooperation with non-EU countries

BTSF in figures from 2006 to 2017

Around 1700 events

More than 68.000 participants

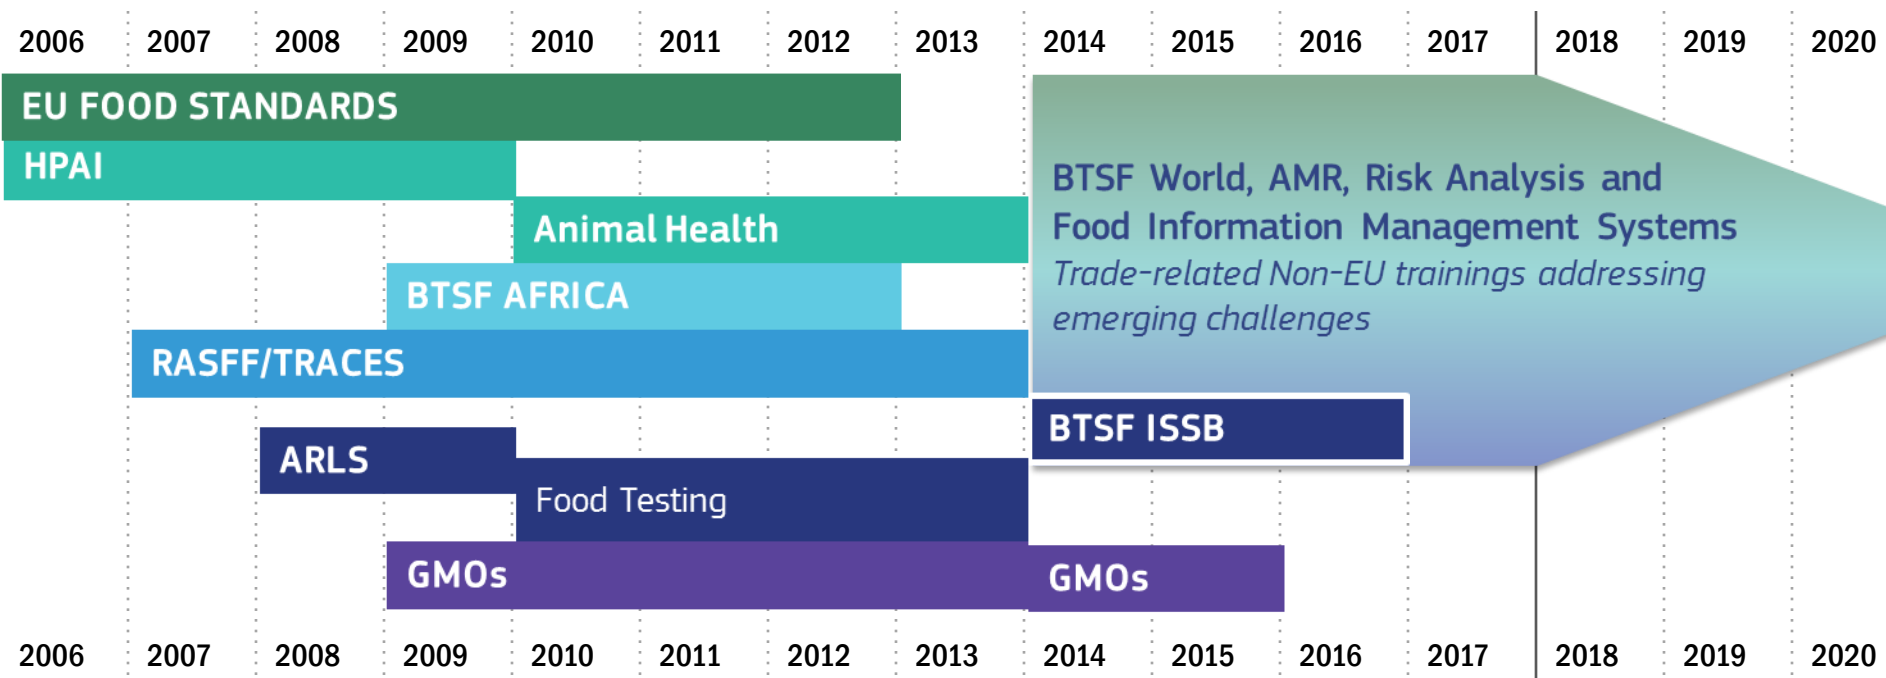

Budget of approx. € 155 million

Approx. 33% of this activity covers non-EU countries

European
Commission

Better Training for Safer Food Activities in non-EU countries

European Commission

BTSF-WORLD 2013-2017

€ 7 606 878

An SPS capacity building programme specifically targeting developing countries and smallholder farmers, enabling them to trade their products and enhance food security.
