

VINCENT MINNA

CFO MENA and Geneva Trading Desks

Joined Bunge Global Markets in April 2001 as Director of Administration and Special Projects and was the one of the handful pioneers who set up the office of Bunge in Geneva. Since 2005, Vincent has been named Director of Finance and Trade Executions and beginning of 2013 named CFO for the MENA Region in particular and the areas covered by the Geneva Trading Desks in general.

Prior to joining Bunge, Vincent held the position of Group Controller of Addax & Oryx Group, a petrochemical group mainly active in Africa. Previous to this, he held various senior positions at Continental Grain European HQ in Geneva where he was ultimately the European Controller.
